Continuation Sheet (PTOL-303)

Application No.

Continuation of 3. NOTE:

The plurality of amendments to the claims raise new issues that would require further consideration and/or search. For example, the plurality of amendments to claim 1 (the independent claim), adding and deleting a plurality of different limitations, raises new issues that would require further consideration and/or search.

Continuation of 11. does NOT place the application in condition for allowance because:

Due to the proposed amendments not being entered, applicant's arguments are not commensurate in scope with the current claims.
